more than a decade and 5,000 happy customers later, we are still obsessed with the engineering of a high-rise building.

In its journey spanning a decade, from the handover of its first tower in the year 2011, at its maiden and flagship project - PBEL CITY, till now, INDIS has come a long way. Having successfully launched 3 more major projects in the interim - ONE CITY, VB CITY and VIVA CITY;INDIS now has about 5,000 customers on board.

With its continuous efforts in building Engineering capabilities; use of robust technologies, such as the shear wall method of construction; engaging reputed construction partners; collaboration with renowned fund houses; sturdy systems and processes and its unwavering focus on customer service, INDIS has built its reputation of being a progressive; reliable, innovative and a transparent Real Estate Company.

With Excellence in Engineering; Constant Innovation and Learning at its core, INDIS is set to cross many more milestones in the coming years.

PBEL CITY

TSPA JUNCTION
